

RLH Industries, Inc.

Innovation through  
Fiber Optic Technology

# PRODUCT LINE

- FIBER OPTIC CONVERTERS
- INDUSTRIAL ETHERNET SWITCHES
- ETHERNET IO
- FIBER CABLE ASSEMBLIES
- FIBER PATCH PANELS
- POWER SUPPLIES
- FIBER OPTIC ISOLATION SYSTEMS

## Company Overview

At RLH Industries, we design, engineer, and manufacture industrial grade fiber optic communication equipment.

RLH Industries Inc. has been a leader in fiber optic communication technology since 1988. Based in Southern California, we design, engineer, and manufacture industrial-grade fiber optic networking equipment to meet the unique demands of our customers.

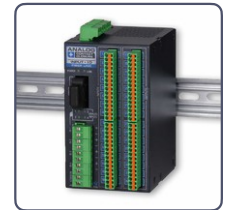

Our goal is to provide world class products, leveraging our experience to meet today's rapidly changing communications needs and help our customers seize new market opportunities.

Whether it's fiber optic media converters, managed switches, custom cable assemblies, or specialized field termination projects, we are committed to delivering *exceptional* quality products.

### FIBER OPTIC CONVERTERS

- Contact Closures
- Ethernet
- 4~20mA/0~10V
- Serial Data
- Phone (POTS)
- T1/4W Data

### INDUSTRIAL ETHERNET SWITCHES

- Unmanaged Switches
- PoE Managed Switches
- Managed Switches
- Rack Mount Switches
- PoE Unmanaged Switches
- Ethernet Media Converters

### ETHERNET I/O

- Smart 4 Input Sensor
- Smart Input Sensor
- Smart 4 Relay Output
- Smart Relay Output
- Smart I/O

Industrial Grade Fiber Optic Communications

# PRODUCT LINE

## FIBER CABLE ASSEMBLIES

- Preterminated Fiber Cable
- Fiber Optic Patch Cords
- Bulk Fiber Cable
- OSP Direct Bury
- Splice on Fiber Pigtailed
- Tactical Cable

## FIBER PATCH PANELS

- DIN Mount
- Wall Mount
- Outdoor
- Rack Mount
- MTP Solutions

## CABINETS & ENCLOSURES

- Outdoor Cabinets
- Fiberglass Enclosures
- Pedestals
- Rack & Wall Mount Solutions
- Custom Enclosures

## POWER SUPPLIES

- AC/DC Power Supplies
- DC/DC Converters
- Charge Controllers
- Battery Packs
- Solar Power Supplies

## FIBER OPTIC ISOLATION SYSTEMS

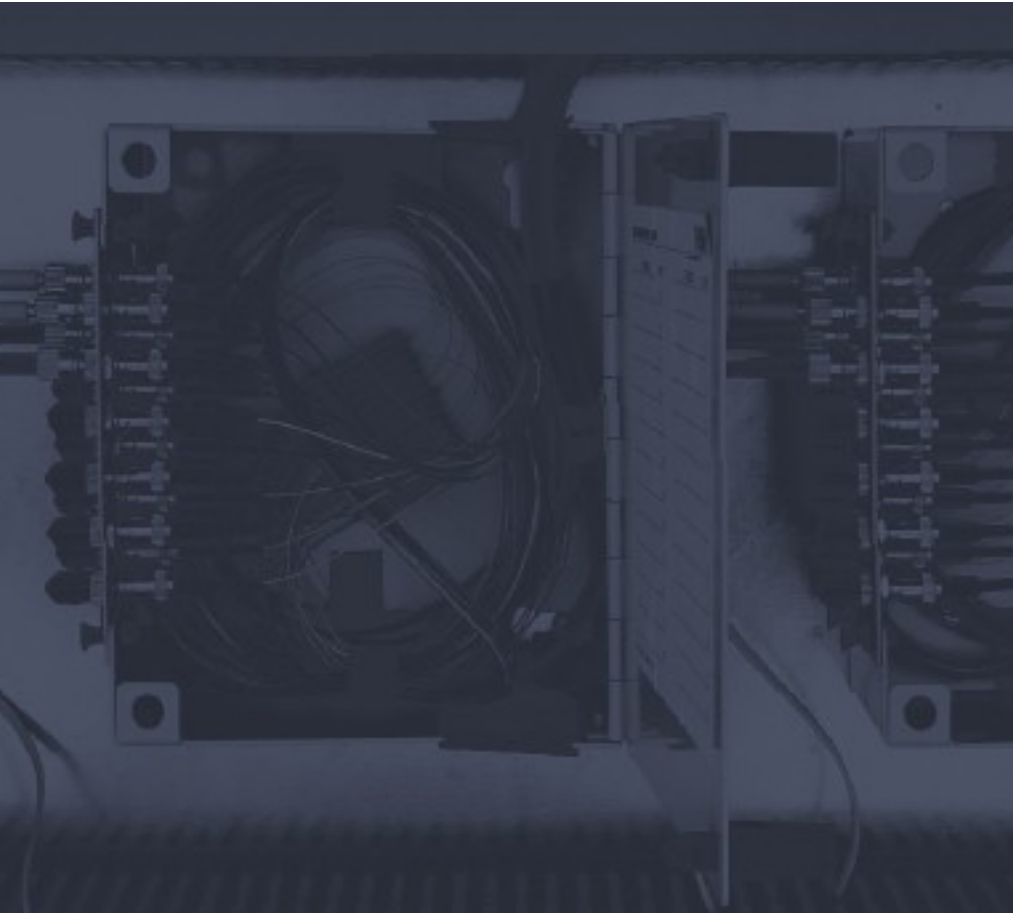

- Fiber Converter Cards
- Card Housings
- Enclosures
- Power Solutions
